

# CAMP YELLOW DOG

## Puppy Playcamp

### Camp Yellow Dog

Camp Yellow Dog (CYD) is owned and operated by husband and wife team, Julie Davidson and Colin Page. We opened our doors in 2018. Camp Yellow Dog offers daycamp, sleepaway camp and puppy playcamp. You can learn more about all of our services on our website: <https://www.campyellowdog.ca/>

### Your Instructor

Julie will be your Playcamp Instructor. Colin will be assisting. Julie graduated from the Karen Pryor Academy (KPA) Puppy Start Right (PSR) course in May 2020. Julie has been working with dogs professionally since 2000. From 2000-2018, she owned and operated A Walk in the Park Pet Care in North Vancouver. Julie is a certified Small Animal Massage Practitioner (SAMP), trained in Pet First Aid, and holds various other certificates which you can find listed on our website.

### Playcamp

Our Puppy Playcamp course is reward based. We do not use equipment or methods that cause emotional or physical stress, or impact your puppy in a negative way. Our classes will follow the PSR curriculum and most of our course materials will come directly from the KPA. Even though puppy parents will not attend class, you will be heavily involved in the learning process. There will be weekly videos, reading assignments and fun exercises to practice with your puppy at home.
